

Fibroscan Patient Preparation Instructions

Day of Test:

1. Do not eat or drink anything for 3 hours prior to your test.
2. You can take your usual medications with a small sip of water (no more than 4 fl oz).
3. Wear loose clothing (avoid one-piece clothing--no dresses or jumpsuits).
4. Make sure any ordered blood work is drawn prior to your fibroscan (specifically AST (SGOT)/ALT (SGPT) within 6 months).

*****Your fibroscan test will NOT be interpreted without proper blood work results*****

5. Arrive 15 minutes early, to allow time for check-in before your appointment.
6. Bring your insurance card and photo I.D.
